Ship of Fools

Erasure

Spinning, spinningI can't believe what is happening to me
My head is spinningHe was the baby of the class, you know
He really didn't know that one and one was two
Two and two were fourHe was the baby of the class, you know
He really didn't know that, really didn't know
Oh, what a poor soulOoh, do we not sail on a ship of fools?
Ooh, why is life so precious and so cruel?
Ooh, do we not sail on a ship of fools?
Ooh, why is life so precious and so cruel?
Ooh, do we not sail on a ship of fools?
Ooh, why is life so precious and so cruel?
Ooh, do we not sail on a ship of fools?
Ooh, why is life so precious and so cruel?
Ooh, why is life so precious and so cruel?
