

I Found My Smile Again

D'Angelo

1, 2, 1, 2, 3

I found my smile again

You helped me find my smile again

I found my smile again

You helped me find my smile again I don't know what it is that you're doing

All I know is baby, that you're shonuff doin it good

And you look at me, and my hear just starts the moving

I haven't felt like this in a while Girl I want to thank you, for helping me find my smile

I found my smile again

You helped me, find my smile again

I found my smile again

My smile, hello hello smile, I haven't seen you in a while

Your love, girl your love, you make me feel like I'm on a cloud And since I laid eyes on you, my spirit's been
brand new

And I want to thank you child

Oh, helping me find my smile I found my smile again

You helped me find my smile again

I found my smile again

You helped me find my smile again I found my smile again

You helped me find my smile again

I found my smile again

You helped me find my smile again 1, 2, 1, 2, 3

You helped me, find my smile again

Honey baby got me smilin'
