Don't Count Me Out

Straylight Run

Left alone
But never forgotten
Misunderstood
But my future is just startingGod is molding me and shaping me
He's building me and making me
A king is being formed
Right in front of your eyesSo don't count me out
When you don't see what He sees
You can't tell but His glory
Is resting on meI'm His choice
After his heart
The unveiling is starting now
So don't count me outLeft alone
But never forgotten
Misunderstood
But my future is just startingGod is molding me and making me
He's building me and shaping me
A king is being born
Right in front of your eyesSo don't count me out
When you don't see what He sees
You can't tell but His glory
Is resting on meI'm His choice
I'm after his heart
The unveiling is starting now
So don't
(Count me out)I'm no longer the same, no more
(Don't count me out)
There has been a change in meFor there are enemies
That I must defeat
It's my time
It's my time
(Don't count me out)Listen(Don't count me out)
There's a king in me
Goliaths' to defeat
(Don't count me out)
Visions to decree
It's my destiny(Don't count me out)
There's a king in me
Goliaths' to defeat

(Don't count me out)
Visions to decree
It's my destiny(Don't count me out)
There's a king in me
Goliaths' to defeat
(Don't count me out)
Visions to decree
It's my destinyThere's a king in me
Goliath' to defeat
Visions to decree
It's my destiny
(Don't count me out)There's a king in me
Goliath' to defeat
(Don't count me out)
Visions to decree
It's my destiny
(Don't count me out)There's a king in me
Goliath' to defeat
(Don't count me out)
Visions to decree
It's my destiny
(Don't count me out)There's a king in me
Goliath' to defeat
(Don't count me out)
Visions to decree
It's my destiny
(Don't count me out)There's a king in me
Goliath' to defeat
(Don't count me out)
Visions to decree
It's my destinyThere's a king in me
Goliath' to defeat
Visions to decree
See, it's my destinyThere's a king in me
Goliath' to defeat
Visions to decree
It's my destiny
Don't count me out
