Sweet Female Attitude

Woah, baby
Always be
Did I say?
Whoa, babyOh, I'll bring you flowers
Whoa, baby
Oh, oh, oh, oh
Yeah, yeah, I, I, ah, ahI'll bring you flowers in the pouring rain
Did you know living without you is driving me insane
I'll bring you flowers, I'll make your day
The tears you cry, I'll dry them all, awayWhoa, baby
Always be
Did I say?
Whoa, babyFrom the day, until the day we throw it all away
Let's talk about it 'cause I can do without it
Your love it means so much to me
Can't you see? Right here I'll always beOh, by the way did I say I am here to stay?
Right here beside youI will never deny you my love
You're everything to me

Because I need you soWhoa, baby
And I will never ever let you goI'll bring you flowers in the pouring rain
Did you know living without you is driving me insane

The tears you cry, I'll dry them all, awayWhoa, baby
Always beAnd if one day you went away, I'd feel so lonely inside
I can't deny that I would break down and cry
And all those flowers, they would wilt in the rain
And it would 'cause me misery and pain
Because I need you soWhoa, babyI'll bring you flowers in the pouring rain
Did you know living without you is driving me insane
I'll bring you flowers, I'll make your day
The tears you cry, I'll dry them all, awayWhoa, baby

Whoa, babyOh, I'll bring you flowers
Oh, oh, oh, oh

Did you know living without you is driving me insane
I'll bring you flowers, I'll make your day
