I Am Defined

Far-Flung Tin Can

I am not defined by who I was
I am defined by whose I am
I am not defined by what Iâ€™ve done
I am defined by the blood of the lamb

I am who He says I am
I will be all he says I can be
He is the awesome I am
He loves me more than anything(x2)

I am not defined by what man sees
He sees my heart He lives in me
I was created by His hands
I was created for His romance

I am who He says I am
I will be all He says I can be
He is the awesome I am
He loves me more than anything(x2)

I cannot earn what He freely gives
I cannot do what Heâ€™s done for me
He just loves me, (My God) loves me (repeat)
