

In-sight

Dead Kennedys

Who's that kid in the back of the room?
Who's that kid in the back of the room?

 He's setting all his papers on fire
 He's setting all his papers on fire
 Where did he get that crazy smile?
 Where did he get that crazy smile?
 We all think he's really weird
 We all think he's really weird
 We never talk to him
 He never looks quite right
 He laughs at us
 We just beat him up
 What he sees escapes our sight

We never see him with the girls
We never see him with the girls
 He's talking to himself again
 He's talking to himself again
Why doesn't he want tons of friends?
Why doesn't he want tons of friends?
Says he's bored when we hang around
Says he's bored when we hang around

 We never talk to him
 He never looks quite right
 He laughs at us
 We just beat him up
 What he sees escapes our sight

We're all planning our careers
We're all planning our careers
We're all planning our careers
 He says we're growing old...
