

# Edge of a Dream (Theme From "Teachers")

Joe Cocker

If tomorrow never comes, would you still belong to me  
Guess I've always known it was meant to be  
We took a second chance on love and it carried us away  
Now it's gettin' stronger day by day  
The closer it gets the further it seems  
It's always one step out of reach  
On the edge of a dream (you know you are)  
On the edge of a dream (you know you are)  
We've been waitin' for this chance to be free  
On the edge of a dream (you know we are)  
And if nothing ever changed  
Would you feel the same way too  
Ya - you know I'll always be there for you  
Cause they say the strong survive  
And we've nearly made it thru  
Now we'll soon be seein' our dreams come true  
The harder it gets the harder you fall  
It never turns out like it seems  
On the edge of a dream (you know you are)  
On the edge of a dream (you know you are)  
We've been waitin' for this chance to be free  
On the edge of a dream (you know we are)  
Movin' in and out of love  
Can't say we never tried  
I knew that you believed in me  
I can see it in your eyes  
Are on the edge of a dream  
You On the edge of a dream  
We on the edge of a dream  
Dream on lover  
We on the edge of a dream (you know you are)  
Are On the edge of a dream (you know you are)  
You know you are  
Are on the edge of a dream (you know We are)  
On the edge of a dream (you know you are)

Songwriters

Jim Vallance / Bryan Adams
