Listen To The Flies

Helloween

Why do you run, answer me
Who do you follow, talk to me
What is the hidden, that I cannot see
What is the prize, you try to hide from meI see you dying and I listen
(Listen)
And I listen
(Listen)
Listen to the flies
Listen to the fliesWho is the idol you obey
Give me a reason, you're afraid of me
You'd never been punished or never had pride
I see you circle round and round the siteI see you dying
I see you dyingAnd I listen to the flies
And I listen to the flies
And I listen to the flies
And I listen to the fliesWhy do you run, answer me
Who do you follow, talk to me
What is the hidden, that I cannot see
What is the prize, you try to hide from meI see you dying
I see you dyingAnd I listen to the flies
And I listen to the fliesAnd I listen to the flies
And I listen to the flies
And I listen to the flies
And I listen to the flies
