Shikareta reeru sunao ni susumeba
Mekakushi shitemo doko ka ni ikitsuku
Demo jinsei wa akai yuuwaku no ito ni ayatsurarete

Days flying by
but still wonder why
I look to the sky and cry
(FIRST IMPACT)

Thereâ€™s no place to hide
A prisoner to pride

Sekai no hate de tada hitori nokosarete
Hikigane ni kakatta yubi ga furueta
(The world is falling)
Unmei no sukoopu o nozoite mirai ga kawaru no nara
Kokoro shinjite nerai sadamete Bullâ€™s Eye
First impact
will break me
Last trigger
will take me

Osanai kioku ni nokosareta seijakuna hibi o
Itsuka ushinatte shimaui koto bakari osore

Donna ni agaita to shite mo kotae o shitte mo

I canâ€™t comprehend
The noise in my head
This nightmare will never end

(FIRST IMPACT)
The look in your eyes
The fire burns alive
A new hope will rise

(LAST TRIGGER)

Save me

Sekai no hate de tada hikari oikakete
Tesaguri de tsukanda yume ga kagayaita

The future is yours to own
Your heart will lead you on
Anata o shinjite nerai sadamete Bull's eye
