

# Be You (feat. Too \$hort & J Banks)

## E-40

They Was Wrong When They Said Ain't Nothin New Under The Sun,  
Cause Everything Under The Sun Has Not Been Done,  
What They Shouldn't Miss? Don't Miss Your Call,  
The Biggest Chance You Can Take Is Not Taking The Chance At All,  
Like Who You Wanna Like, Love Who You Wanna Love,  
Kiss Who You Wanna Kiss, Hug Who You Wanna Hug,  
Latin, White, Black, Fat, Tall, Small,  
Opposites Attract Whatever It's On Y'all,  
I Came In The Game With A Hope And A Wish,  
With No Bait On My Tryna Catch A Fish,  
Tryna Have Meals, 4 Courses,  
Got Hella Ideas But No Resources,  
Don't Let Em Knock Your Motivation Keep Tryin',  
Your Probably Just Ahead Of Your Time,  
Like Me, They Told Me I'd Never Progress And Be-Come,  
What I am Today Them Niggas Dead Wrong  
You Gotta Be Original, Just Be You, Just Be You  
Take A Chance And Show The World You, Just Be You  
We Gonna Hop In The Ride And Let The Rims Roll,  
Gotta Hundred Pair Of Nikes No Timbos,  
And No I Never Had No Afro,  
But I Still Keep Everything Natural,  
So Many People Wanna Look Alike,  
And Act The Same, But What's The Price,  
When You Got No Game, They Won't Let You Play,  
Your Too Stingy, You Shouldn't Act That Way,  
Cause Your Goin Have To Pay, If You Don't Speak Your Mind,  
You Been A Follower A Long Time,  
Stop Lying And Just Be Yourself,  
Ain't Nothin Wrong With That,  
You Got Racks, You Must Be On Some Crack,  
Cause The Last Time I Checked You Was Struggling,  
Had A Whole Lotta Bad Luck Drug Dealing,  
Now Get Back On Track Like You Need To,  
Stop Following The Crew And Be You, Nigga!  
Do What They Don't  
When It Come To Follow Trends, You Won't,  
You Got Your Own Mind And Your Own Ideas,  
Refuse To Be Like Everybody Else, (For Realz)

So Original, (Like Who?), Like Me  
Creative And Unique, People Love The Way I Speak  
They Hatin On The Son Of The Man Up Above  
Anything Different They Afraid Of  
We Comin' Through Hard Again  
We Got Chains And Pieces, New Car And Rims  
It's E-40, Short Dogg And Them  
Alota Hustlers, Gangstas, All The Pimps  
It Sounds Good When You Turn It Up Loud  
Do It Your Way And Rock Your Style  
Your Hair Your Clothes Even Your Smile  
They Goin Love You Cause Your So Original  
Stop Being Somebody Else When You Can Be You Mane,  
Be You  
You Mane  
Be You  
When You Can Be You Mane, Be You  
Stop Being Somebody Else When You Can Be You Mane,  
Be You,  
You Mane,  
Be You,  
When You Can Be You Mane,  
Biatch!
