

# Without You Here

George Strait

Her ship set sail from the docks of Miami  
For a two week Caribbean cruise  
Our first time apart in ten years of marriage  
She said, "I'm already missin' you" She called me from Nassau, ship's first port o' call  
Said, "The ocean ain't all that's blue  
The brochure I read was right  
This island is paradise, but not without you" She said, "Without you here  
There's just no fun in the sun would be had  
Without you here""It's no place to be  
This dream vacation is a bad situation  
I'm in misery, in a sea of tears  
Without you here" I said, "Darlin' I'm sorry, I should have gone with you  
Had a feelin' you'd be feelin' this way  
But I'm just as lonely, you're not the only one  
Wishin' I was there today" As I hung up the phone, I pictured her there alone  
Standin' at the dock of the bay  
O' it's more than I can stand  
There's gonna be a change of plans, honey I'm on my way She said, "Without you here  
There's just no fun in the sun would be had  
Without you here""It's no place to be  
This dream vacation is a bad situation  
I'm in misery, in a sea of tears  
Without you here" She said, "Without you here  
There's just no fun in the sun would be had  
Without you here""It's no place to be  
This dream vacation is a bad situation  
I'm in misery, in a sea of tears  
Without you here"
