Nothing Is Impossible

Jennifer Knapp

Nothing is impossible, impossible for me
Nothing is impossible, oh, impossible for me
'Cause I got faith that moves the mountains
I got hope, I got hope that fills the seaAnd how can I forget this thing so quickly?
How can I so easily fall on my knees?
Begging for mercy, begging for mercy
My shield is broken, my sword torn in two
And I am weakened by the ignorance of youAnd it all seems impossible, impossible for me
It all seems impossible, impossible for me
Well, the mountains they're crumbling
And the sea, the sea is drowning meThe sands of false philosophy are blinding my eyes
I've nothing left to save myself, oh, I shall surely die
Then comes a man and battle for the war
And here I am, useless, battered and tornHe says nothing is impossible, impossible for me
Nothing is impossible, impossible for me
'Cause I got faith that moves the mountains
I got hope, I got hope that fills the seaI see his hands, while his scars are rest in mine
I see his blood, redder than any wine shed just for me
Shed just for me, I trust he will return for my release
The words that Jesus said have formed my beliefsAnd nothing is impossible, impossible for me
Nothing is impossible, impossible for me
'Cause I got faith that moves the mountains
I got hope, I got hope that fills the seaNothing is impossible for me
It's possible for me
It's possible, possible, possible for me
