

# Out!

## The Orphans

Receive me - unleash me I crave the morning quickly come  
I get down on my knees and pray  
And hope the dawning pulls me right out (right out) of my dream You walk right by my window  
Everyday I can feel you so near  
When will you come to get me out (get me out) of my fear Would you unbind me?  
If you'd finally find me I am tied to the ground.  
Ready to be unbound.  
Would you break me out and  
Would you help me to get out get out? Pull me out! Each day a new tomorrow  
And I long for the same old aim  
I'm bound in bitter sorrow - I know, I want out, but I can't Would you unleash me?  
If you'd perceive me I am tied to the ground.  
Ready to be unbound  
Would you break me out and  
Would you help me to get out get out? I am tied to the ground.  
Ready to be unbound  
Would you break me out and  
Would you help me to get out get out? Pull me out! Get me out - please hear my prayer  
Do you think it'll go that way?  
I get down on my knees and pray  
Do you think it'll go that way?  
I get down on my knees and pray I am tied to the ground.  
Get me out just to dry my tears  
Ready to be unbound  
Yes I pray Would you break me out and  
Would you help me to get out get out?  
Pull me out!
