# What's Going On

## Sofuja

It's 3am I start to cry
I'm alone again
I try so hard not to fall in love
But here I am
As you couldn't even pretend like you can if this was the end
All the things you said to me won't even matter
Do what you want
Coz I'm not gonna save you baby
What's going on?
We don't care , we don't fight
We don't even no what's wrong or right now baby
What's going on?
What's going on?
There's nothing else I can say
What can I do?
We might have worked out some day
But it takes two
And you couldn't even pretend like you can if this was the end
All the things you said to me won't even matter
Do what you want
Coz I'm not gonna save you baby
What's going on?
We don't care , we don't fight
We don't even no what's wrong or right now baby

What's going on?
What's going on?
What's going on?
All the things you said to me wouldn't even matter
But I couldn't even pretend that I can if this is the end
I'm not gonna save you
All the things you said to me won't even matter
Do what you want
Coz I'm not gonna save you baby
What's going on?
We don't care , we don't fight
We don't even no what's wrong or right now baby
What's going on?
What's going on?

All the things you said to me won't even matter
Do what you want
Coz I'm not gonna save you baby
What's going on?
We don't care , we don't fight
We don't even no what's wrong or right now baby
What's going on?
What's going on?
But here I am...
