

Don't Go Away

Grinspoon

I think you'll need a new holiday
Somewhere the weather is sunny all day
I don't care just as long as you stay
I don't care just as long as you stay Kissing the sky for a cloudy day eyes
Making the sun rise seems a surprise
They can go as long as you stay
They can go as long as you stay Don't go away
Don't go away
Don't go away
Fuckin' Tuesday I hate your answer machine
Message for you I can't say what I mean
I don't care that everyone knows
Seems you care now everyone knows Drop me a letter or write me a line
Pick up the phone girl and tell me you're fine
Pity's a perfect excuse for myself
I'll sit inside and watch TV all day Don't go away
Don't go away
Don't go away
Fuckin' I know my mother thought you were trash
I know my dad he smokes too much hash
There always hiding under the stairs
It's easy to find them when I'm not there Summertime lover your spring has begun
Letters arrive but you stay in your room
Pity's a perfect excuse for myself
I'll sit inside and watch TV all day Don't go away, don't go away, don't go away
Don't go away, don't go away, don't go away, don't go away
Fuckin'
Don't go away, don't go away, don't go away, don't go away
Don't go away, don't go away, don't go away, don't go away
