## Blink 182

My mind wonders as I'm trying not to fall in love with you  
'Cause every time I awake, I ponder on my mistakes  
Of what I said, it is always my esteem that I sure lose  
Playing those stupid games as I always end up chasing you I can't help myself anymore  
Rehearsing my thoughts, as I'm too scared to come to your door  
I pushed it all aside just to stand next to you  
But now you won't talk to me for something that I didn't do It's not gonna work And I'm trying not to think of  
you  
I'm all confused as I think of the things that I would do  
I'm all shook up as I get all nervous inside  
My emotions are something that I will always hide my ways
