Wait. Wait. Wait.

Hanni El Khatib

I don't know where you came from
but I do know that I'm not alone
be sure that I love you darling
even though sometimes we won't get along
there's not a day that passes by, my dear
that I don't think of the first night we spoke
and those words are staying upon your skin
along with that precious smile of hopethat's why I'm like wait, wait, wait
don't know you know I could be your home?
I'm like wait, wait, wait
cause nobody wants to be alonelying there on the kitchen floor
were the last signs of a helpless soul
and she knew that he would die right then
and so she held him until the last breath grew old
and so she cried as her darling slept
in between her arms, slid to the floor
and then she screamed out into the cold, cold night
oh my God, please don't goshe was like, wait, wait wait
I love you more than you know
she was like, wait, wait, wait
I don't wanna be aloneoh, oh, oh, oh, oh, oh (ahem)
that's why I'm like, wait, wait, wait
