

Words Of Wisdom

2pac

Killing us one by one in one way or another
American will find a way to eliminate the problem one by one
The problem is the troubles in the black youth of the ghettos
And one by one we are being wiped off the face of this earth
At an extremely alarming rate
And even more alarming is the fact that we are not fighting back
Brothers, sistas, niggas
When I say niggas it is not the nigga we are grown to fear
It is not the nigga we say as if it has no meaning
But to me it means, never ignorant, getting goals, accomplishes, nigga
Niggas what are we going to do, walk blind into a line or fight
Fight and die if we must like niggas
This is for the masses the lower classes
The ones you left out, jobs were givin', better livin'
But we were kept out, made to feel inferior, but we're the superior
Break the chains in out brains that made us fear, yah
Pledge a legiance to a flag that neglects us
Honor a man that who refuses to respect us
Emancipation, proclamation, please
Nigga just said that to save the nation
These are lies that we all accepted
Say no to drugs but the governments keep it
Running through our community, killing the unity
The war on drugs is a war on you and me
And yet they say this is the home of the free
But if you ask me it's all about hypocrisy
The constitution, yo, it don't apply to me
Lady Liberty still the bitch lied to me
Steady strong, nobody's gonna like what I pumpin'
But it's wrong to keeping someone from learning something
So get up, it's time to start nation building
I'm fed up, we gotta start teaching children
That they can be all that they wanna to be
There's much more to life than just poverty
This is defiantly, ahh, words of wisdom
America, America, America
I charge you with the crime of rape, murder, and assault
For suppressing and punishing my people
I charge you with robbery for robbing me of my history

I charge you with false imprisonment for keeping me
Trapped in the projects and the jury finds you guilty on all accounts
And you are to serve the consequences of your evil schemes
Prosecutor, do you have any more evidence?
Words of wisdom
They shine upon the strength of an nation
Conquer the enemy on with education
Protect thy self, reach with what you wanna do
Know thy self, teach what we been through
On with the knowledge of the place, then
No one will ever oppress this race again
No Malcolm X in my history text, why is that?
'Cuss he tried to educate and liberate all blacks
Why is Martin Luther King in my book each week?
He told blacks, if they get smacked, turn the other cheek
I don't get it, so many questions went through my mind
I get sweated, they act as if asking questions is a crime
But forget it, one day I'm gonna prove them wrong
Now every brother had to smother on the welfare line
The American dream, though it seems it attainable
They're pulling your sleeve, don't believe 'cuz it will strangle, yah
Pulling the life of your brain, I can't explain
Beg as you can obtain from which you came
Swear that your mother is living in equality
Forgetting your brother that's living her apology
Thought they had us beat when they took our kids
But the battle ain't over till the black man sings words of wisdom
But the battle ain't over till the black man sings words of wisdom
Nightmare, that's what I am, America's nightmare
I am what you made me, the hate and evil that you gave me
I shine of a reminder of what you have done to my people
For four hundred plus years
You should be scared, you should be running
You should be trying to silence me, ha ha
But you cannot escape fate, well, it is my turn to come
Just as you rose you shall fall by my hands
America, you reap what you sow
2pacalypse America's nightmare
Ice Cube and Da Lench Mob America's nightmare
Above the Law America's nightmare, Paris America's nightmare
Public Enemy America's nightmare, Krs-One America's nightmare
Mutulu Shakur America's nightmare
Geronimo Pratt America's nightmare
Assada Shakur America's nightmare
