

# Counting Stars

## Piano Dreamers

Lately, I've been, I've been losing sleep  
Dreaming about the things that we could be  
But baby, I've been, I've been praying hard,  
    Said no more counting dollars  
We'll be counting stars, yeah we'll be counting stars  
    I see this life like a swinging vine  
        Swing my heart across the line  
        And my face is flashing signs  
        Seek it out and you shall find  
    Oh, but I'm not that old  
    Young, but I'm not that bold  
    I don't think the world is sold  
    I'm just doing what we're told  
    I feel something so right  
        Doing the wrong thing  
    I feel something so wrong  
        Doing the right thing  
    I could lie, could lie, could lie  
Everything that kills me makes me feel alive  
    Lately, I've been, I've been losing sleep  
    Dreaming about the things that we could be  
    But baby, I've been, I've been praying hard,  
    Said no more counting dollars  
    We'll be counting stars  
    Lately, I've been, I've been losing sleep  
    Dreaming about the things that we could be  
    But baby, I've been, I've been praying hard,  
    Said no more counting dollars  
    We'll be, we'll be counting stars  
    I feel the love and I feel it burn  
        Down this river, every turn  
        Hope is a four-letter word  
    Make that money, watch it burn  
    Oh, but I'm not that old  
    Young, but I'm not that bold  
    I don't think the world is sold  
    I'm just doing what we're told  
    I feel something so wrong  
        Doing the right thing

I could lie, could lie, could lie  
Everything that downs me makes me wanna fly  
Lately, I've been, I've been losing sleep  
Dreaming about the things that we could be  
But baby, I've been, I've been praying hard,  
Said no more counting dollars  
We'll be counting stars  
Lately, I've been, I've been losing sleep  
Dreaming about the things that we could be  
But baby, I've been, I've been praying hard,

Said no more counting dollars  
We'll be, we'll be counting stars  
Take that money  
Watch it burn  
Sing in the river  
The lessons are learnt  
Take that money  
Watch it burn  
Sing in the river  
The lessons are learnt  
Take that money  
Watch it burn  
Sing in the river  
The lessons are learnt  
Take that money  
Watch it burn  
Sing in the river  
The lessons are learnt  
Everything that kills me makes feel alive  
Lately, I've been, I've been losing sleep  
Dreaming about the things that we could be  
But baby, I've been, I've been praying hard,  
Said no more counting dollars  
We'll be counting stars  
Lately, I've been, I've been losing sleep  
Dreaming about the things that we could be  
But baby, I've been, I've been praying hard,  
Said no more counting dollars  
We'll be, we'll be, counting stars  
Take that money  
Watch it burn  
Sing in the river  
The lessons are learnt  
Take that money

Watch it burn  
Sing in the river  
The lessons are learnt  
Take that money  
Watch it burn  
Sing in the river  
The lessons are learnt  
Take that money  
Watch it burn  
Sing in the river  
The lessons are learnt
