# Other Side Of The World (Live Lounge)

## KT Tunstall

Over the sea and far away
She's waiting like an iceberg
Waiting to change
But she's cold inside
She wants to be like the waterAll the muscles tighten in her face
Buries her soul in one embrace
They're one and the same
Just like waterThe fire fades away
Most of everyday
Is full of tired excuses
But it's to hard to say
I wish it were simple
But we give up easily
You're close enough to see that
You're the other side of the world to meOn comes the panic light
Holding on with fingers and feelings alike
But the time has come
To move alongThe fire fades awayCan you help me?
Can you let me go?
And can you still love me
When you can't see me anymore?The fire fades away
