All I Ask For Anymore

Trace Adkins

It was a home run when the game was tied
A pick up truck when I could drive
One pink line when Katie said I'm late
It was a passing grade, a pretty girl
All the money in the world
What mattered then kept changing every day[Chorus]
But when I bow my head tonight
There'll be no me myself and I
Just watch my wife and kids please lord
That's all I ask for any moreNow a days it's crazy how
A passing storm, a siren sound
Can make me drop it all and pick up the phone
To hear her say that all's okay is all I need to know these days
Can't wait to see their faces when I get home[Chorus]Let 'em outlive me by a hundred years
Let their laughter dry up all their tears
Let 'em love and be loved back like I have been[Chorus]That's all that matters anymore
