

# 72 Virgins (Bloody Beetroots Remix)

## Shitdisco

All you dancing whores  
With your flesh on show  
Drink your alcopops  
With your men in tow All your hair and your legs  
And your painted faces  
I've watched them go  
To unholy places I'll take you all with me  
Do what you want with me  
Do what you want with me x2 The worl is full of lie and emulsion  
white skies  
And the skin you're showing off is  
going to burn in cider  
As the streets run red under empty  
skies  
But can your love survive? I'll take you all with me  
Do what you want with me  
Do what you want with me x4 Do it in ecstasy  
Do it in ecstasy x6 I'll take you all with me  
Do what you want with me  
Do what you want with me x4
