

# Whatever You Say

**Martina McBride**

You think I'm always makin'  
Something out of nothin'  
You're sayin' everything's okay You've always got an answer  
Before I ask the question  
Whatever you say Now we can change the subject  
Pretend I never brought it up  
Same old story anyway Later we can work it out  
Right now you're talked out  
Yeah, whatever you say Oh I know you can hear me  
But I'm not sure you're listening  
I hear what you're sayin'  
But still there's somthing missin' Whether I go, whether I stay  
Right now depends on whatever you say Say yes you need me  
And no, you wouldn't leave me  
And that should be enough to make me stay And even though I want to  
I don't hear "I love you"  
In whatever you say Oh I know you can hear me  
But I'm not sure you're listening  
I hear what you're sayin'  
But still there's somthing missin' Whether I go, whether I stay  
Right now depends on whatever you say Oh whether I go, whether I stay  
Right now depends on whatever you say  
Whatever you say, whatever you say
