

# I'm A Fool

## American Hi-Fi

Got nothing to loose this time and I'm bored with the same old lines  
I never know what to do or what to say to you  
One look and you'll knock me out  
You put me on the floor with a ten count  
I don't wanna make a scene, I gotta make you see That I've been waiting for a girl like you  
And I know there's nothin' I could do Don't wanna make you hurt  
Don't wanna make you feel  
Like the world ain't on your side  
Like you're never gonna get it right  
No I can't fight, I can't sleep at night  
Just thinkin' about you girl  
I'm a fool for you, yes I am You've been on my mind since I saw you walkin' by  
I knew, I had to know you better you were everything  
But I didn't know what to say so you just walked away  
I couldn't believe what a fool I was to let you go 'Cause that I've been waiting for a girl like you  
And I know there's nothin' I could do Don't wanna make you hurt  
Don't wanna make you feel  
Like the world ain't on your side  
Like you're never gonna get it right  
No I can't fight, I can't sleep at night  
Just thinkin' about you girl  
I'm a fool for you, yes I am Then I saw you at the beach, talkin' with my friends  
I couldn't believe my eyes, it was my lucky day  
So I just asked you out to the forum to see no doubt  
When you said you would go, I thought I might explode 'Cause that I've been waiting for a girl like you  
And I know there's nothin' I could do Don't wanna make you hurt  
Don't wanna make you feel  
Like the world ain't on your side  
Like you're never gonna get it right  
No I can't fight, I can't sleep at night  
Just thinkin' about you girl  
I'm a fool Don't wanna make you hurt  
Don't wanna make you feel  
Like the world ain't on your side  
No I can't fight, I can't sleep at night  
Just thinkin' about you girl  
I'm a fool for you, yes I am  
Yes I am  
I am a fool for you

Yes I am, I am
