Secret

Rival Sons

Wait for the cover of night
Go out where nobody else can see
And if you still wanna go
Go out there by yourself
Wait in the bushes for meI'm gonna tell you a secret
I'm gonna tell you a secret
And I know you're gonna keep itGo pass the two leaves on the stones
Out where the water is dark and deep
And if you don't get too cold
And if you think that you'll see it through
Wade in that deep water for meI'm gonna tell you a secret
I'm gonna tell you a secret
Lemme tell you a secret
And I know you're gonna keep it
Lemme tell you a secret
And I knowGo out past the graveyard
Out on your own
If you bring your sister that's fine
Bring me a jar full of shine
Wait in the bushes for meI'm gonna tell you a secret
And I know you're gonna keep it
I'm gonna tell you a secret
And I know you're gonna keep it
Lemme tell you a secret
And I know you're gonna keep it
I'm gonna tell you a secret
And I know
