make you happy

El-Dog

All I wanna do is make you happy
All I wanna do is make you happy
All I wanna do is make you happy
All I wanna do is make you happy
All I wanna do is make you happy
All I wanna do is make you happy
Baby you ain't tryin',
If I said I'm upbeat, I'd be lying,
Show me what your hiding,
But if this is love then watch me die on you.
All I wanna do is make you happy
All I wanna do is make you happy
All I wanna do is make you happy
Maybe you can't hear me,
But I feel like screaming when you're near me,
Save me from your theories,
At the very least just let me cry on you.
Undervalued, I can't be far from the truth.
Maybe I knew, hardly a bolt from the blue!
All I wanna do is make you happy
All I wanna do is make you happy
All I wanna do is make you happy
All I wanna do is make you happy
All I wanna do is make you happy
All I wanna do is make you happy
Love and hate each other,
If we can't get it together, you know we'll never ever ever.
Fix a heart don't break it,
Can't you see the love around you?
You know, you're crazy not to take it.

Under valued, I can't be far from the truth.
Maybe I knew, hardly a bolt from the blue!
All I wanna do is make you happy
All I wanna do is make you happy
All I wanna do is make you happy
All I wanna do is make you happy
All I wanna do is make you happy
All I wanna do is make you happy

Whatchya gonna do? I am not over you
Whatchya gonna do? I am not over you
Whatchya gonna do? I am not over you
Never gonna give you up,
Never gonna sort you out,
Where's it gonna get ya?
I'm never gonna let you down!
Never gonna give you up,
Never gonna sort you out,
Where's it gonna get ya?
I'm never gonna let you down!
Never gonna give you up,
Never gonna sort you out,
Where's it gonna get ya?
I'm never gonna let you down!
Never gonna give you up,
Never gonna sort you out,
Where's it gonna get ya?
I'm never gonna let you down!
All I wanna do is make you happy
All I wanna do is make you happy
All I wanna do is make you happy
