Hot Cop

Village People

Hot Cop lyrics
Music,
music is my thing
I like the sound of music
all in my brains
Pleasure
Pleasure is my game
Pleasure will lead
To my fortune and fame, all right
Wacth him
Wacth me coast through the floor
Checking out every star
Who comes through the door, yeah
Mellow
Mellow as I can be
But baby I'll burn you
if you're dancing with me
REFR
