Hot Cop lyrics  
Music,  
music is my thing  
I like the sound of music  
all in my brains  
Pleasure  
Pleasure is my game  
Pleasure will lead  
To my fortune and fame, all right  
Wach him  
Wach me coast through the floor  
Checking out every star  
Who comes through the door, yeah  
Mellow  
Mellow as I can be  
But baby I'll burn you  
if you're dancing with me
