I Stand For You

Tree63

Jesus, I stand for You
No matter what You lead me through
They will chase me out and close me down
But Jesus I stand for YouIll always stand
Ill always stand
Ill always stand for YouIn all this world
You're all that's true
Ill always stand for You
For You, yeahJesus, Ive stood my ground
When unbelief was all around
And I have felt the sting rejection brings
But Jesus I still stand for You, yeahIll always stand
Ill always stand
Ill always stand for You
For You, yeahIn all this world
You're all that's true
Ill always stand for You
For You, yeahA time will come when everyone
Will turn their eyes on the Risen Son
But until that day, this world will turn away
And so Ill take Your hand, Ill always stand for YouFor You, yeah
Ill always, Ill always
AlwaysGuilty of this grace
But You took my place
So Jesus, Ill always stand for YouIll always stand
Ill always stand
Ill always stand for You
For YouIn all this world
You're all that's true
Ill always stand for YouFor You
Always stand for You Lord
