

# In Your Life (Dezrock Club Edit)

## La Bouche

In your life x8  
In your life  
Like sitting on a ferris wheel  
Watching the world go around and around it goes  
Maybe that's how lovers feel  
Up and down, where it stops nobody knows  
How many tears  
or How many broken hearts  
Just how many sorrows  
How much you'll take  
In your life  
In your life  
In your life  
In your life  
In your life  
In your life  
In your life  
In your life  
In your life Nobody knows, ole ole ole ola  
Lonely heart of a little boy  
Waiting for his daddy with a brand new toy  
Lonely eyes of a pretty little girl  
Bet  
How many tears  
or How many broken hearts  
Just how many sorrows  
How much you'll take  
In your life  
In your life  
In your life  
In your life  
In your life  
In your life  
In your life  
In your life  
In your life Nobody knows, ole ole ole ola  
In your life  
No body knows, ole ole ole ola  
For god so loved the world  
He gave his only begotten son  
That who so ever believed in him

Shall not perish  
But have everlasting life  
No body knows  
I know I could be in your life  
Forever in your life  
I know I should be by your side  
Forever in your life  
Cause this is what it all comes down to  
In your life  
This is what it all comes down to  
In your life  
In your life  
In your life  
In your life  
In your life  
In your life  
In your life  
In your life  
No body knows, ole ole ole ola  
In your life  
No body knows, ole ole ole ola  
No body knows, ole ole ole ola  
In your life  
No body knows, ole ole ole ola  
In your life
