

# Insignificance

## The M.S.P.

All in all, it's no one's fault  
Excuses turn to carbon walls  
Blame it all on chemical intercourse  
The swallowed seeds of arrogance  
Breeding in the thoughts of ten  
Thousand fools who fight irrelevance  
The full moon is dead skin  
The one down here's wearing thin  
So set up the ten pins  
As the human tide rolls in  
Like a ball that's spinning  
Bombs dropping down  
Overhead, underground  
It's instilled, to wanna live  
Bombs dropping down  
Please forgive our hometown  
In our insignificance  
Turn the jukebox up, he said  
Dancing in irreverence  
Play C-3, let the song protest  
The plates begin to shift  
Perfect lefts come rolling in  
I was alone and far away  
When I heard the band start playing  
On the lip, late take off  
Bombs dropping down  
Overhead, underground  
It's instilled, to wanna live  
Bombs dropping down  
Please forgive our hometown  
In our insignificance  
Feel like resonance of distance  
In the blood, the iron lies  
It's instilled, to wanna live  
Bombs dropping down  
Please forgive our hometown  
In our insignificance  
In our insignificance
