

Today (Peep Braddock Mix)

Zero 7

Sirens sounding out, are we going to war
A film of yesterday on a broken down door
Send me something real to ignore or explore
And I'll show you all the things that I saw Today
The words don't mean enough for us to say
For us to say
Today
To steal the moment that we gave away
We gave away
Gave it away Can't remember when, but it's happened before
Saw it all played out through a crack in the door
Send me something good for the way that I feel
And I'll show you all the things that I've seen Today
The words don't mean enough for us to say
For us to say
today
To steal the moment that we gave away
We gave away Today
We are the light that travels into space
Into space We are the light that travels into space
We are the light that travels into space
We are the light that travels into space
We are the light that travels into space
We are the light that travels into space
