

You Make Me Feel Brand New

Simply Red

My love
I'll never find the words, my love
To tell you how I feel, my love
Mere words could not explain Precious love
You held my life within your hands
Created everything I am
Taught me how to live again Only you
Cared when I needed a friend
Believed in me through thick and thin
This song is for you, filled with gratitude and love God bless you
You make me feel brand new
For God blessed me with you
You make me feel brand new
I sing this song 'cause you
Make me feel brand new My love
Whenever I was insecure
You built me up and made me sure
You gave my pride back to me Precious friend
With you I'll always have a friend
You're someone whom I can depend
To walk a path that sometimes bends Without you
Life has no meaning or rhyme
Like notes to a song out of time
How can I repay you for having faith in me? God, it's you
You make me feel brand new
For God blessed me with you
You make me feel brand new
I sing this song for you
You makin' me feel so brand new Make me feel brand new
Makin' me, makin' me, makin' me feel so new
Make me feel brand new
You, you make me feel brand new
Make me feel brand new
You make me feel brand new
Make me feel brand new
You make me feel brand new
Make me feel brand new
You make me feel brand new
