

# I Can't Imagine The World Without Me

## New Kids On The Block

What I tell is a different story, So if you'd like to come this way, What i have, I take, then give it all away, Then help me climb the walls that stand before me. If this is just a game, I wanna know, Can everybody win, Can anybody play, Can you believe it, I may be lost, i may be blind, And in this world we spin and shout We want it all we want it now, They said 'oh shut your mouth But it's half the fun, I may be cursing most of the time You don't know what you talk about'. I wanna know, If this is just a game, Can anybody play, Can everybody win. Another show another scene, The city sleeps below you sing a lullaby, Another show another scene and, I can't imagine the world without me, I can't imagine the world without me, I can't imagine the world without me, Hey, I'm on a roll, i'm on a roll, la la la la. I'm on a roll la la la la, I'm on a roll la la la la, I'm on a roll la la la la, Me me me me me me me me me, Me me me me me me me me me.
