

No One Knows How to Love Me Quite Like You Do

Aaliyah

No One Knows How To Love Me Quite Like You Do
Liyah you're the only one for me
the one for me, the one for me
No one knows how to love me quite like you do
When it comes down to the things
I like
Boy, you know just how to satisfy me
You pick me up when I'm down, you put my feet on solid ground
And you make me your first priority
(Keep it comin') keep it comin', babe
(Cause I like it) cause I like it, babe
Don't stop cause no one knows
No One Knows How To Love Me Quite Like You Do
When there are clouds on
a rainy day
You know how to bring sunshine to my life
And I've never felt this way before
You make me feel like I'm your goddess
(Keep it comin') keep it comin', babe
(Cause I like it) cause I like it, babe
Don't stop cause no one knows
No one knows how to love me quite like you do
Well it's the L-I-Y-A-H plus the
second chapter
R Kelly's spitin' tracks, as if it were tobacco
It's the ninties, time to get the pockets phat
So when I say "book", you say "read that"
Now back to the matter of the song
No one knows how to love me like you do
I got words for you
Uh! Forever my man!
No one knows how to love me quite like you do
Liyah you're the only one for me
The one for me, the one for me
