Born to Be Blue

Jane Monheit

Some folks were meant to live in clover
But they are such a chosen few
And clover been green is something I ve never seen
Cause I was born to be blue
When there's a whole moon above me
They say there s moon beams I shoot
But moon beams being gold
Are something I can't behold
Cause I was born to be blue
When I met you the world was bright and sunny
When you left the curtain fell
I'd like to laugh but nothing strikes me funny
Now our worlds are faded pastel
I've known the thrill of loving you
And that alone is more than what I was created for
Cause I was born to be blue
When I met you the world was bright and sunny
When you left the curtain fell
I'd like to laugh but nothing strikes me funny
Now our worlds are faded pastel
I guess I'm luckier than some folks
I've known the thrill of loving you
And that alone is more than what I was created for
Cause I was born to be blue
Cause I was born to be blue
