All to Jesus, I surrender, all to him I freely give,
I will ever, love and trust him, in his presence daily live,
I give you my heart, body and soul, holy spirit take control,
You take my hand, here are my feet, Lord you can take control of me.

chorus:
I surrender all (2 times)

(back to leader:)

ending:
I'm giving up, Everything
Giving up, everything
I'm giving up, Everything
oooo, oooo.
(several times)
