

Heart of Glass

[Skye Sweetnam](#)

Once I had a love and it was a gas
Soon turned out had a heart of glass
Seemed like the real thing, only to find
Much of mistrust, love's gone behind
Once I had a love and it was divine
Soon found out I was losin' my mind
It seemed like the real thing but I was so blind
Much of mistrust, love's gone behind
In between
What I find is pleasing and I'm feelin' fine
Love is so confusing there's no peace of mind
If I fear I'm losin' you it's just no good
You teasing like you do
Once I had a love and it was a gas
Soon turned out had a heart of glass
Seemed like the real thing, only to find
Much of mistrust, love's gone behind
Lost inside
Adorable illusion and I cannot hide
I'm the one you're using, please don't push me aside
We could-a made it cruising, yeah
Yeah, ridin' high on love's true bluish light
Once I had a love and it was a gas
Soon turned out had a heart of glass
Seemed like the real thing, only to find
Much of mistrust, love's gone behind
In between
What I find is pleasing and I'm feelin' fine
Love is so confusing there's no peace of mind
If I fear I'm losin' you it's just no good
You teasing like you do
It's just no good
You teasing like you do
It's just no good
You teasing like you do
