Heart of Glass

Skye Sweetnam

Once I had a love and it was a gas Soon turned out had a heart of glass Seemed like the real thing, only to find Much of mistrust, love's gone behindOnce I had a love and it was divine Soon found out I was losin' my mind It seemed like the real thing but I was so blind Much of mistrust, love's gone behindIn between What I find is pleasing and I'm feelin' fine Love is so confusing there's no peace of mind If I fear I'm losin' you it's just no good You teasing like you doOnce I had a love and it was a gas Soon turned out had a heart of glass Seemed like the real thing, only to find Much of mistrust, love's gone behindLost inside Adorable illusion and I cannot hide I'm the one you're using, please don't push me aside

We could-a made it cruising, yeahYeah, ridin' high on love's true bluish lightOnce I had a love and it was a gas

Soon turned out had a heart of glass

Seemed like the real thing, only to find

Much of mistrust, love's gone behindIn between

What I find is pleasing and I'm feelin' fine

Love is so confusing there's no peace of mind

If I fear I'm losin' you it's just no good

You teasing like you doIt's just no good

You teasing like you doIt's just no good

You teasing like you do
