

Breaking Apart (with Trisha Yearwood)

Chris Isaak

Just another day without you.
I'll be okay without you .
I'll be fine.
I'll be alright.I'll find some one new without you.
Somebody just like you but not you.
I'll be alright.
Say I'll be alright.But
I'm breaking apart inside.
I'm breaking apart inside.
I cry in my sleep at night.
I'm breaking apart without you.I hardly ever think about you.
I said I'd call but I don't need to.
I'll be fine.I've got so much to do without you.
I said that I'd be lost without you.
I'll be fine.
Just give me time.Cause
I'm breaking apart inside.
I'm breaking apart inside.
I cry in my sleep at night.
I'm breaking apart without you.And I'm hoping, you're doing fine too
I don't want to sleep without you.
Dreams don't mean a thing without you.
I feel so alone without you.
Baby come back I need you.I'm breaking apart inside.
I'm breaking apart inside.
I cry in my sleep at night.
I'm breaking apart without you.And I'm wondering, if you're doing fine too.
