

In My Eyes

Stevie B

You've got to deliver that something inside of me
You might say how could it's so fast?
Is the way you make me feel what you understand
There's a way I meet you dreaming Hey girl, if you see the sun in my eyes
It should be other no surprise
It's the light of love inside of me
Now tell me what do you see in my eyes And I wanna show you girl
(In my eyes)
And wanna know you know you tonight
And when you kiss me girl
You'll just don't know how you make me feel The love I have inside of me
I'm gonna give it all to you girl
And if you give me a chance
I just wanna be your be your man I know is hard to see how I feel this way
I just don't have control of my heart
And if you fell what I feel and you wanna stay
Just give me a sign girl you will never part And if you see the sun in my eyes
It should be other no surprise
It's the light of love inside of me
Now tell me what do you see in my eyes And I wanna show you girl
(In my eyes)
And wanna know you know you tonight
And when you kiss me girl
You'll just don't know how you make me feel The love I have inside of me
I'm gonna give it all to you girl
And if you give me a chance
I just wanna be your be your man You've got to deliver that something inside of me
You might say how could it so fast?
Is the way you make me fell what you understand
Girl there's a way I can meet you dreaming Hey girl, if you see the sun in my eyes
It should be other no surprise
It's the of love inside of me
Now tell me what do you see in my eyes? And I wanna show you girl
(In my eyes)
And wanna know you know you tonight
And when you kiss me girl
You'll just don't know how you make me feel The love I have inside of me
I'm gonna give it all to you girl
And if you give me a chance

I just wanna be your be your man
