I Wonder Why

Craig David

Love is a hunger that burns in my soul
But you never noticed the pain
Love in an anchor that won't let me go
I reached out to hold you
But you push me away
And you always convinced me to stay
And I wonder why
We hold on with tears in our eyes
And I wonder why
We have to break down to make things alright
And I wonder why
I can't seem to tell you goodbye
Yeah, I wonder why
I'm no angel my selfish pride
But I love you more everyday
Love is an anger that builds a pain inside
As a tears of frustration roll down my face
But is love always have to turn out this way?
And I wonder why
We hold on with tears in our eyes
And I wonder why
We have to break down to make things alright
And I wonder why
I can't seem to tell you goodbye
Oh, I wonder why
I don't want to fight again tonight
About the little things, please baby
I just wanna find my way back to love, oh
I meet you there, baby
(Hold on, break down, can't seem)
And I wonder why
We hold on with tears in our eyes
And I wonder why, I wonder why
We have to break down to make things alright
And I wonder why
I can't seem to tell you goodbye
I wonder why
We hold on with tears in our eyes
And I wonder why

We have to break down to make things alright
And I wonder why
I can't seem to tell you goodbye
Oh yeah and I wonder why, I wonder why
No, oh yeah, I wonder why, baby
And I wonder why
We hold on with tears in our eyes
And I wonder why, I wonder why
We have to break down to make things
