

Re-Offender

Travis

Keeping up appearances, keeping up with the Jones'
Fooling my selfish heart, going through the motionsBut I'm fooling myself, I'm fooling myself'Cause you say
you love me
And then you do it again, you do it again
And you say you're sorry
And then you do it again, you do it againEverybody thinks you're well, everybody thinks I'm ill
Watching me fall apart, falling under your spellBut you're fooling yourself, you're fooling yourself'Cause you
say you love me
And then you do it again, you do it again
And you say you're sorry
And then you do it again, you do it again
And again, and again, and again, and againBut you're fooling yourself, you're fooling yourself'Cause you say
you love me
And then you do it again, you do it again
And you say you're sorry
And then you do it again, you do it againYou say you love me
And then you do it again, you do it again
And you say you're sorry
And then you do it again, you do it again
And again, and again, and again, and again
