

On Fire (The Upper Room Mix)

Sanctus Real

Remember when you couldn't wait
To show up early, and find your place
'Cause you didn't want to miss a thing
And your heart was open, ready for change
All those days, you were never afraid to sing
Never afraid to lift your hands, didn't care what people would think
You were on fire
And church was more than a place
And people were more than faces
And Jesus was more than a name
Remember when you weren't ashamed
To tell your friends about your faith
A time when you felt the pain
Of just one lost soul that was slippin' away
Your heart was soft, you had radiant eyes
But slowly the pressures and burdens of life
Pulled you into the dark of the night
Oh, where did you lose your sight?
'Cause you were on fire
And church was more than a place
And people were more than faces
And Jesus was more than a name
Oh, you were on fire
You let life put out the flame
But He's still callin' out for you
'Cause he wants to light your heart again
And set it on fire
Set it on fire
Turn your eyes
Turn your eyes
And don't forget what it was like
Set me on fire
Set me on fire
I wanna hold God's people close, wanna feel the power of Jesus' name
Set me on fire
Set me on fire
