

# Jedi

## Slightly Stoopid

I use the force 'cause I am a JediBut Im a bad boy and Im livin up at the beach  
What ya gonna do now  
When Im reaching for my piece of the action  
But nobody seems to care, whoa, oh  
Nobody seems to care thatI use the force 'cause I am a JediBut when Im hittin up a blunt  
You know Im down to get high  
Roll another one until  
You know what it means to say  
Goddamn youre a smokin machine
