Boy From The Block

Gucci Mane

I'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block with the very large knotsI'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block with the very large knotsI pull up in that Spyder, strapped up like McGyver
Should have brought my Phantom, na, but I'm mad at my driver
Pull up in that Spyder, strapped up like McGyver
Should have brought my Phantom, na, but I'm mad at myI'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block with the very large knotsI'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block with the very large knotsI pull up in that Spyder, strapped up like McGyver
Should have brought my Phantom, na, but I'm mad at my driver
He so fuckin' turned up, ridin' on auto pilot, smokin' kush and smilin'
He drinkin' while he drivin'Gucci please excuse me, hu, all my goons got jewelry on 'em
All my niggas booked up, paper they get it on their own
I don't think you know me, homie, I suggest you leave me alone
I got so much jewelry on, that I think I need a cloneI pull up to the traffic light, icy as a blood light
Shinin' like a flash light, I might damage ya eye sight
Gucci got that real ice, don't it look real nice
I don't want your girlfriend, homie but my bitch mightI'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block with the very large knotsI'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block with the very large knotsShops at the Chanel shop, that's how she shop
500 for the flip flops 'cause they ain't Reebok
I'm the boy from the block with the very large knots
Gotta spot in the hood, no sofa just potI'm hot, so hot stand next, get shocked
I got Caucasian neighbors that's just how I rock
If you talkin' to me, all the questions that I wanna know
If she ain't got no money, know you gotta have some doughThen she ask me for a drank so I bought a bottle
She was flexin' really hard, now she flexin' harder
You a bitch, one more bitch, I only fuck with starters

So if you ain't a dime piece, ain't no need to botherI'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block with the very large knotsI'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block with the very large knotsI want the money, I smell like a pocket full of hundreds
A whole bag full of kush, I been buckin' since a youngin'
I know you need a man right now because you strugglin'
So if he isn't helpin' then there's no need for discussionIn Houston Texas I can spend fifty thousand on a Monday
I got fifty woman with me, fifty more that ain't comin'
My pocket do the conversation, make all the decisions
I only fuck with bad bitches 'cause I'm very pickyHe can't buy a drink so he don't deserve ya digits
I'm polar bear laflare , wrist and ear is very frigid
My charm big as a midget, I give yo' ass the business
So if you got yo' swag right you know that you can get itI'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block with the very large knotsI'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block, boy from the block, block
I'm the boy from the block with the very large knots
