You And Your Sister

This Mortal Coil

you say my love for you's not real
but you don't know how real it feels
all I want to do is to spend some time with you
so I can hold you, hold you
your sister says that I'm no good
I'd reassure her if I could
all I want to do is to spend some time with you
so I can hold you, hold you
friends fail every day
I want to hear you say
your love won't be leaving
your eyes aren't deceiving
fears will soon fade away
smile now, don't be afraid
all I want to do is to spend some time with you
so I can hold you, hold you
so let me whisper in your ear
don't you worry they can't hear
all I want to do is to spend some time with you
so I can hold you, hold you
