

# Crying in My Sleep

## Shift K3Y

Could've been right,  
Could've been wrong for you  
All you put me through  
Something I never need  
If I knew this was all you were ever about  
I would've did my thing  
'Cause I have my doubt  
Should've fast, should've been fun  
Now I'll never be alright  
That's why I, I'm crying in my sleep  
I should've had left when you came right  
Now I'll never be alright  
That's why I, I'm crying in my sleep  
That's why I, I'm crying in my sleep  
Can't go far with a broken heart  
That is what I get for loving you  
If I knew this was all you were ever about  
I don't want back in  
I've never turned around  
Loving you made a better me  
Honey you, you made a better me  
Should've been fast, should've been fun  
Now I'll never be alright  
That's why I, I'm crying in my sleep  
I should've had left when you came right  
Now I'll never be alright  
That's why I, I'm crying in my sleep  
That's why I, I'm crying in my sleep  
That's why I, I'm crying in my sleep  
Now for being in love  
Is so far for me to smile  
I never been in love  
Should've been fast, should've been fun  
Now I'll never be alright  
That's why I, I'm crying in my sleep  
I should've had left when you came right  
Now I'll never be alright  
That's why I, I'm crying in my sleep  
That's why I, I'm crying in my sleep  
That's why I, I'm crying in my sleep

Crying in my sleep, crying in my sleep

Crying in my sleep, crying in my sleep

Crying in my sleep, crying in my sleep
