When Mountains Fall

Stratovarius

It was just like yesterday,
When you chose to leave and I to stay
It was a warm and sunny day
But my heart felt as heavy as stoneNever told me where you went,
Then again I never tried to ask
Now I know in life you have one chance
And you better use it wellWhen the mountains fall and the oceans flood
I'm still in search of you
Only thing I want to say -
I'm still in love with youFinally I found your place,
Sadly I came three summers late
Now I am sitting by your grave
And I sing this song for youWhen the mountains fall and the oceans flood
I'm still in search of you
Only thing I want to say -
I'm still in love with youOne last thing I have to say -
I'm still in love with you
