

In Your Shadow I Can Shine (Humanoid City Live)

Tokio Hotel

I hate my life
I can't sit still
For one more single day
I've been here waitin'
For something to live and die for
Let's run and hide
Out of touch
Out of time
Just get lost without a sign
As long as you stand by my side
In your shadow I can shine(x3)
Shine
You see my soul
I'm a nightmare
Out of control
I'm crashin'
Into the dark
Into the room
Into the world of our cocoon
You are the sun and I'm the moon
In your shadow I can shine(x3)
Shine
Don't let go
Oh, oh no
Don't you know
In your shadow I can shine(x3)
Shine, shine, shine
In your shadow I can shine(x3)
Shine, shine, shine
In your shadow I can shine
